ESSENTIAL WEBSITE BLUEPRINT After a soul sucking post-college year analyzing wave form data in one of those windowless labs, I looked around for what was next. This was in 1997, the year that the internet exploded and every company in the world was looking for a webmaster to create their website or run their existing one.

lessons from my years of experience. This book, Step by Step Trading, will walk you through the essentials of this fantastically interesting but demanding craft and teach you its main do's and don'ts. I believe that less is more in trading. Most traders needlessly complicate their work and hurt their results instead of improving them.
