### **Candle Making: The Simplified Guide to Making Candles**

candle making knowledge and business experience with any new candle maker out there who has been given no technical support from other companies he/she has contacted. When I started making candles in 1997, the candle industry was a huge secret and no one was willing to share information on how to make good candles.

### **The Candle Making Manual - Nature's Garden**

Candles should be lit with a punk (long stick) or a butane lighter. Something about the sulphur in matches interferes with a clear ritual. In a pinch, light a piece of paper to light the candle or light the match away from the candle and let it burn past the sulphur before lighting the candles.
