The Collection of Procedural Decisions in ICC Arbitration 1993-1996 contains the procedural decisions rendered by ICC arbitrators, published in a single volume for the first time. In addition to providing procedural decisions in their original language, this book includes commentaries on the decisions, key words in both English and French, and explanatory notes of interest in English.

Collection of Procedural Decisions in ICC Arbitration

The collection of procedural decisions is a useful reference tool and on more than one occasion recently the writer has referred to it for guidance on procedural problems. There is value in referring to previous decisions in support of argument although it is the writer's view that it would be a mistake to attribute to such decisions status as ...

data based on his or her own understanding of the situation. The Data Collection process will not be standardized or consistent. You will have collected data, but it probably won't be much good to you. Worse yet, you may make changes to your process based on flawed information. Data Collection can involve a multitude of decisions by data collectors.
