Confidential information is considered as information that must be kept secret. While any information can be confidential, not all the information generated within a company must be kept secret.

### **Fact Sheet How to manage confidential business information**

Business letters can be confidential and are more private than digital forms of communication.   
Develop goodwill A written letter is appropriate when you want to offer thanks, congratulations, sympathy, or apologies. In each case, a letter—including the stationery, typeface, and signature—expresses emotion more effectively than an informal message.
