David Keen has done the international community and the government and people of Sierra Leone a huge service by publishing his new and excellent book Conflict and Collusion in Sierra Leone at a most opportune moment, just as the United Nations Mission in Sierra Leone (UNAMSIL) is drawing to an end its six-year role as an external peacekeeper. For the first time since 1991, Sierra Leoneans will again be essentially on their own in seeking to rebuild a better society.

The new gold rush and foreign involvement: conflict and collusion Until about 10 years ago, two points could be made with certainty about artisanal gold mining in Ghana. First, it was a traditional activity, often involving the same rudimentary means of extraction (pick axe, shovel and bowl) that had been used for centuries.
