

conscious business leadership how pdf

Leadership can arise in different people, at different times in a conscious business, even though there may be people designated with the more permanent role or title of "leader". In a conscious business, leadership never becomes stuck in habits.

Conscious Business Leadership " A Checklist | CATS 3000

Kofman defines conscious business and outlines 7 elements to enable a conscious business life. Of the 7, I learned the most from unconditional responsibility where Kofman describes how we have the response-ability to deal with different business circumstances (In this section I was introduced to Victor Frankl who wrote 'Man's Search For Meaning').
