building in post-Soviet Azerbaijan and the involvement of cultural, ethnic and political differences in this process. A major source for this article derives from personal interviews

Definitions of national identity, nationalism and ethnicity

Of the post-Soviet conflicts, the Moldovan one is the most internationalized. In Soviet times, the zones of fighting in the Caucasus were peripheral, hardly registering on the national consciousness in economic or political terms. By contrast, the Transdniester region played a significant role in the Soviet planned economy.
