

contributions to economic geology pdf

The Survey's annual volumes entitled " Contributions to economic geology " are issued in parts, and the last part will include a volume title- page, table of contents, and index for the use of those who may wish to bind

. CONTRIBUTIONS TO ECONOMIC GEOLOGY - USGS

relating to the economic geology of Alaska. In view of the rapid increase of economic work, both in Alaska and in the States, and the organization of a division of Alaskan mineral resources distinct from the division of geology, it was in 1905 considered advisable to exclude all papers relating to Alaska.

CONTRIBUTIONS TO ECONOMIC GEOLOGY, 1908, PART I.

Should this bulletin be favorably received by those interested in the development of the mineral industries of the United States, it is proposed to publish early in each calendar year a similar bulletin containing the results of the last year's field work in economic geology.
