NairaCareer

In best-practice organizations career development is aligned with personal goals as well as corporate objectives There is consensus among the organizations which

Career development in best-practice organizations

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.
