

english language education in pdf

English is an Indo-European language and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the Frisian North Sea coast, whose languages gradually evolved into the Anglic languages on the British Isles, and into the Frisian languages and Low German/Low Saxon on the continent.

English language - Wikipedia

California Education Code (EC) Section 60811 requires the State Board of Education to approve standards for English language development (ELD) for pupils whose primary language is a language other than English. These standards shall be comparable in rigor and specificity to the standards for English language arts, mathematics, and science.

English Language Development Standards - Resources (CA)

Language education refers to the process and practice of acquiring a second or foreign language. It is primarily a branch of applied linguistics, however can be considered an interdisciplinary field. There are four main learning categories for language education: communicative competencies, proficiencies, cross-cultural experiences, and multiple literacies.
