In classical economics, Say's law, or the law of markets, states that aggregate production necessarily creates an equal quantity of aggregate demand. In his principal work, *A Treatise on Political Economy* (*Traité d'économie politique*, 1803), Jean-Baptiste Say wrote: "A product is no sooner created, than it, from that instant, affords a market for other products to the full extent of its own ..."

WWE Tough Enough is a professional wrestling reality television series produced by WWE, wherein participants undergo professional wrestling training and compete for a contract with WWE. There were two winners per season for the first three seasons, all of which aired on MTV. A fourth competition was held in 2004, with only a single winner, who was integrated into (at the time) UPN's *SmackDown!*.
