A Library of published palliative care and end of life research as an annotated bibliography. In 2014, the National Institute for Health Research in the UK commissioned a project to create a database of research published internationally that informs the practice of palliative and end of life care. The project was completed by key members of the PaPaS CRG (lead by Professor Philip Wiffen).

How Build an Effective Palliative Program

Hospice Care I've written about my own experience with hospice in my book DYING: A Book of Comfort. When my father died, my family and I were able to help him do so with the help of a wonderful hospice in Southern California.

Hospice care and palliative care - DYING, SURVIVING, OR

Hospice care is a type of care and philosophy of care that focuses on the palliation of a chronically ill, terminally ill or seriously ill patient's pain and symptoms, and attending to their emotional and spiritual needs. In Western society, the concept of hospice has been evolving in Europe since the 11th century. Then, and for centuries thereafter in Roman Catholic tradition, hospices were ...

Foot Care Documentation and Charting. Sometimes it's nice to have a set document to help and guide a patient's progress and assessment. Although this is no substitute for clinical expertise, and does not negate the need for a team approach to foot care, that includes a whole gamut of professionals such as physicians, podiatrists, chiropodists, foot care nurses, diabetologists, pedorthists ...
