I have a lot of articles to read, is there any way to arrange the files? We've just added a new Filter to our Library interface. Tap "All" to filter your documents by source, such as Input (anything copy and pasted or typed directly into NaturalReader), Webpage, Dropbox, OneDrive, and Google Drive.

Exploring New Features for Text to Speech

If I've learned anything in the past year that I initially wrote Ten Things You Need to Know about WebView, it's that WebView continues to be one of the most used controls in Windows Store apps. It is a control that many people are looking to manipulate and hack in order to bring additional functionality to their app.

Ten Things You Need to Know About WebView " An Update for

A couple weeks ago, I had the pleasure of giving a presentation to a tri-chapter meeting of the Medical Library Association. The topic was why some patients with chronic disease are disaffected and how online social networks have met some of their needs.
