The purpose of "Basic Clinical Urology: History Taking and Physical Examination" is to provide residents in the urology service with the guides to interview and examine patients attending to urologic practice. The interpretation of clinical data provides the plan for further evaluation of patients.

Basic Clinical Urology - Urology

SCOTT C. STOIOFF, MD Reflective Statement My interest in community based urologic care began during my residency with the United States Navy. With a large patient population of active-duty personnel, retirees and their families I gained extensive experience diagnosing and managing a full spectrum of common urologic problems.
