The *Faerie Queene* is an English epic poem by Edmund Spenser. Books I to III were first published in 1590, and then republished in 1596 together with books IV to VI. The *Faerie Queene* is notable for its form: it is one of the longest poems in the English language as well as the origin of the verse form known as the Spenserian stanza. On a literal level, the poem follows several knights as a ...

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
