

finders keepers pdf

Finders, keepers is an English adage with the premise that when something is unowned or abandoned, whoever finds it first can claim it. This idiom relates to an ancient Roman law of similar meaning and has been expressed in various ways over the centuries. Of particular difficulty is how best to define when exactly something is unowned or abandoned, which can lead to legal or ethical disputes.

Finders, keepers - Wikipedia

Finders Keepers is a crime novel by American writer Stephen King, published on June 2, 2015. It is the second volume in a trilogy focusing on Detective Bill Hodges, following Mr. Mercedes. The book is about the murder of reclusive writer John Rothstein (an amalgamation of John Updike, Philip Roth, and J. D. Salinger), his missing notebooks and the release of his killer from prison after 35 years.
