An Excellent Alternative to Adobe Reader. PDF-XChange has some very nice features not found in Adobe Reader, but where it matters it follows the familiar shortcuts and layout of the established market leader. It is very customisable too, so if you don't like the defaults, many things can be modified.

A window is an opening in a wall, door, roof or vehicle that allows the passage of light, sound, and air. Modern windows are usually glazed or covered in some other transparent or translucent material, a sash set in a frame in the opening; the sash and frame are also referred to as a window. Many glazed windows may be opened, to allow ventilation, or closed, to exclude inclement weather.
