Hi William-I had detailed instructions for the 4100e somewhere but I can't seem to find them. Basically, you just push the Reports button (on the upper right part of the control panel) and then select User Settings from the menu. (You may have to press Start.) You can see exactly where the Reports button is on page 1-3 of the user manual: ...

Host-based - Host-based drivers use the computer's (host's) resources to process print commands when the computer is connected to the printer via USB cable. It is a custom driver created for host-based printers to provide basic print or print/scan software features. Enables more advanced software functionality than the drivers included In-OS or Windows Update.
