International Congress on Engineering and Information

Introduction to the Legislative Process in the U.S. Congress Congressional Research Service Summary This report introduces the main steps through which a bill (or other item of business) may travel in the legislative processâ€”from introduction to committee and floor consideration to possible presidential consideration.

Introduction to the Legislative Process in the U.S. Congress

Those are the cross-cutting topics which do not fit uniquely into one of the Quality, Safety and Efficacy categories. It includes the ICH medical terminology (MedDRA), the Common Technical Document (CTD) and the development of Electronic Standards for the Transfer of Regulatory Information (ESTRI).
