

### **latin america its problems pdf**

Latin America is a group of countries and dependencies in the Western Hemisphere where Romance languages such as Spanish, Portuguese, and French are predominantly spoken; it is broader than the terms Ibero-America or Hispanic America. The term "Latin America" was first used in an 1856 conference with the title "Initiative of the America. Idea for a Federal Congress of the Republics" (Iniciativa ...

Following the model of the American and French revolutions, most of Latin America achieved its independence by 1825. Independence destroyed the old common market that existed under the Spanish Empire after the Bourbon Reforms and created an increased dependence on the financial investment provided by nations which had already begun to industrialize; therefore, Western European powers, in ...
