Blended learning combines online and face-to-face learning and engages learners with personalized lessons. We help give you the tools you need to implement blended learning and to flip your classroom.

Blended Learning | Blackboard Learn

The Master of Arts in Teaching and Learning with Technology focuses on developing your expertise in designing, implementing, and facilitating instructional technology in a variety of learning environments.

Master's in Teaching and Learning with Technology | MATLT

Educational technology is an inclusive term for both the material tools and the theoretical foundations for supporting learning and teaching. Educational technology is not restricted to high technology but is anything that enhances classroom learning in the utilization of blended, face to face, or online learning.
