Wolf Country, Myths, legends and stories

The word werewolf continues a late Old English wer(e)wulf, a compound of were "man" and wulf "wolf". The only Old High German testimony is in the form of a given name, Weriuuolf, although an early Middle High German werwolf is found in Burchard of Worms and Berthold of Regensburg. The word or concept does not occur in medieval German poetry or fiction, gaining popularity only from the 15th century.

Overview. Romulus and Remus were born in Alba Longa, one of the ancient Latin cities near the future site of Rome. Their mother, Rhea Silvia was a vestal virgin and the daughter of the former king, Numitor, who had been displaced by his brother Amulius. In some sources, Rhea Silvia conceived them when their father, the god Mars, visited her in a sacred grove dedicated to him.
