Erotic literature comprises fictional and factual stories and accounts of human sexual relationships which have the power to or are intended to arouse the reader sexually. Such erotica takes the form of novels, short stories, poetry, true-life memoirs, and sex manuals. A common feature of the genre is sexual fantasies on such themes as prostitution, orgies, homosexuality, sadomasochism, and ...

Components of Resilience. Resilience is defined differently depending on who you ask; psychological researchers may have one working definition (or many!), while those who work directly with people who are struggling often see it differently.. There is no single accepted set of components of resilience, but this set of characteristics and contributing factors can provide a useful guide:
