LITIGATING RETALIATORY TERMINATION AND WRONGFUL DISCHARGE

Rules of procedure and complications. Rules of criminal or civil procedure govern the conduct of a lawsuit in the common law adversarial system of dispute resolution. Procedural rules are constrained and informed by separate statutory laws, case laws, and constitutional provisions that define the rights of the parties to a lawsuit (see especially due process), though the rules generally ...

The nationalization of oil supplies refers to the process of confiscation of oil production operations and private property, generally in the purpose of obtaining more revenue from oil for oil-producing countries' governments. This process, which should not be confused with restrictions on crude oil exports, represents a significant turning point in the development of oil policy.
