News Aquatic Living Resources: rise in the Impact Factor (June 2016) Aquatic Living Resources will move to online-only publication at the start of 2016 (October 2015)

Aquatic Living Resources - alr-journal.org

In addition to providing many benefits to the natural world, marine ecosystems also provide social, economic, and biological ecosystem services to humans. Pelagic marine systems regulate the global climate, contribute to the water cycle, maintain biodiversity, provide food and energy resources, and create opportunities for recreation and tourism. ...
