High Maintenance is an American comedy-drama television and web series created by ex-husband and wife team Ben Sinclair and Katja Blichfeld. The show follows a nameless marijuana deliveryman called The Guy (played by Sinclair) as he delivers his product to clients in New York City. Each episode focuses on a new set of characters as they all procure their cannabis from Sinclair's character.

California Agriculture - Current issue and featured articles. Multiple species of Phytophthora have been identified in production facilities of plants used in reforestation and restoration projects. There's a risk that infected plant stock will lead to Phytophthora species establishing and spreading in habitats that, having never experienced their presence, may be highly susceptible to infection.
