A super race is a future race of improved humans that it is proposed be created from present-day human beings by deploying various means such as eugenics, euthenics, genetic engineering, nanotechnology, and/or brain-computer interfacing to accelerate the process of human evolution

### **Super race - Wikipedia**

Black Lives Matter (BLM) is an international activist movement, originating in the African-American community, that campaigns against violence and systemic racism towards black people. BLM regularly holds protests speaking out against police killings of black people, and broader issues such as racial profiling, police brutality, and racial inequality in the United States criminal justice system.
