This list provides an overview of some of the significant or common map projections. Because there is no limit to the number of possible map projections, there is no definitive list that includes all of them.

## **List of map projections - Wikipedia**

Map Maker 4 is software for professionals who need to make maps; people like foresters, estate managers, archaeologists, emergency services, ecologists, and many others. It has been designed so that you do not have to be a "GIS" professional to use it. The program comes in two versions - the "Pro" edition and a free version called "Gratis".
