The Marketing Book - Yola

Account-based marketing (ABM), also known as key account marketing, is a strategic approach to business marketing based on account awareness in which an organization considers and communicates with individual prospect or customer accounts as markets of one. Account-based marketing is typically employed in enterprise level sales organizations. Account based marketing can help companies to:

Hey Google: Instead of spamming the known universe with Adwords coupons for "new accounts only", why don't you let new advertisers actually run some ads for once?. There's something completely broken with the logic of doing everything in your power to bring new businesses to Adwords, then arbitrarily making them pay a "newbie tax" combination of high bids/low Quality Score before ...

Digital marketing and Social Media for Business is the use of digital media to attract and engage with current and potential customers, for example online advertising, email marketing, social media campaigning, and search engine optimisation.

Social Media and Digital Marketing qualifications and

Social Media Marketing Course Overview. The influence of social media on modern businesses is a reality we have to be aware of. Instead of considering social media as a type of entertainment and cool place for finding information, businesses should consider social media as a powerful tool to help them disseminate the promotional message and increase brand awareness.
