deals primarily with human interactions assumptions "bounded rationality, satisfying behaviour, profit sub-optimality. An example of a company that currently operates this way is Google Strategic management techniques can be viewed as bottom-up, top-down, or collaborative processes. In the bottom ...

Business Strategy/Approaches to Strategic Management

In military theory, strategy is "the utilization during both peace and war, of all of the nation's forces, through large scale, long-range planning and development, to ensure security and victory" (Random House Dictionary). The father of Western modern strategic study, Carl von Clausewitz, defined military strategy as "the employment of battles to gain the end of war."

Strategy - Wikipedia

Risk and strategic consulting refers to the provision of information, analysis and associated services in the field of international politics and economics, with the aim of providing a better understanding of the risks and opportunities facing businesses, governments and other groups.. In contrast to management consulting, which primarily concerns internal organization and performance, risk ...
