National definitions. The definition of "foreign student" and "international student" varies in each country in accordance to their own national education system.

### **International student - Wikipedia**

Economic growth is the increase in the inflation-adjusted market value of the goods and services produced by an economy over time. It is conventionally measured as the percent rate of increase in real gross domestic product, or real GDP.. Growth is usually calculated in real terms - i.e., inflation-adjusted terms " to eliminate the distorting effect of inflation on the price of goods produced.
