Tomorrow, 15 November 2018, the City of Tshwane will remove tree branches around overhead power lines in some of the suburbs south-west of the Pretoria CBD, and this will lead to an organised power outage. The power lines in the area must be trimmed urgently to fix the sagging overhead power lines that are causing regular area outages.

Indonesia : currently officially selectively applied in regions where the virus has appeared. Several of the vaccines in use are based on the H 5 N 1 strain itself, making it difficult to track the disease. And the use of unvaccinated sentinels and the serological and virological monitoring is spotty at best
