A First Course in Linear Algebra is an introductory textbook designed for university sophomores and juniors. Typically such a student will have taken calculus, but this is not a prerequisite. The book begins with systems of linear equations, then covers matrix algebra, before taking up finite-dimensional vector spaces in full generality.

Catholic social teaching is the Catholic doctrines on matters of human dignity and common good in society. The ideas address oppression, the role of the state, subsidiarity, social organization, concern for social justice, and issues of wealth distribution. Its foundations are widely considered to have been laid by Pope Leo XIII's 1891 encyclical letter *Rerum novarum*, which advocated economic ...
