point sociology studies social events, relationships between social and non social phenomena and generalized study of facts common to all aspects of social life. In his book "Society, Culture and Personality" he has said that sociology is more or less concerned with the working of human beings.

F.Y.B.A. - Mu

Sociology: Understanding and Changing the Social World makes sociology relevant for today's students by balancing traditional coverage with a fresh approach that ironically takes them back to sociology's American roots in the use of sociological knowledge for social reform.
