a hypermedia resource for LEGO designers that will include LEGO building plans, design principles, textual descriptions, and rendered animations, all interlinked, indexed, and browsable. The project is just beginning and is still in the conceptual stages; this article is my attempt to present some of the content of four proposed LEGO Constructopedia in a more traditional form.

### **The Art of LEGO Design - Tufts University**

The Art of LEGO Design Fred G. Martin 1 March 15, 1995 There is a real need for better resources for both beginning and intermediate LEGO builders. The plans that the LEGO company distributes with its kits are very good at showing how to build specific models, but not so good at teaching how to design from one's own ideas.
