

DOWNLOAD THE BEATLES JAPAN A QUICK RECORD GUIDE FULL COLOR DISCOGRAPHY 1964 1970 THE BEATLES AROUND THE WORLD

the beatles japan a pdf

The Beatles were an English rock band formed in Liverpool in 1960. With members John Lennon, Paul McCartney, George Harrison and Ringo Starr, they became regarded as the foremost and most influential music band in history. Rooted in skiffle, beat and 1950s rock and roll, the group were integral to pop music's evolution into an art form and to the development of the counterculture of the 1960s.

The Beatles - Wikipedia

In their native United Kingdom, between 1962 and 1970, the Beatles released 12 studio albums, 13 extended plays (EPs) and 22 singles. However, the band's international discography is complicated, due to different versions of their albums sometimes being released in other countries, particularly during their early years on Capitol Records in North America.
